

Hēimu

The Ultimate Screening Product

 HURFORD'S

Hēimu

Hurford's premium Thermally Modified Merbau Screening.

Whether you're creating a private outdoor retreat or adding a touch of modern elegance to the side of your home, Hēimu's versatility makes it the perfect choice for any outdoor design.

Crafted from premium low-shrinkage timber, Hēimu is made keeping Australian climate in mind.

- ✓ **Thermally Modified Merbau** – Rich, non-bleeding colour that stays vibrant for years.
- ✓ **Pre-Oiled Finish** – Long-lasting with less maintenance.
- ✓ **FSC® Certified** – Sustainably sourced.

Available in three stock standard sizes:

- 40x19mm
- 40x30mm
- 40x40mm

Available in set length packs:

- 1.8m to 5.4m
